

## ***The Black Walrus and Kevin* is an Amazon International Bestseller!**

After just a few weeks on the market, *The Black Walrus and Kevin* has become an Amazon International Bestseller!

Last week, *The Black Walrus and Kevin* hit #1 in the Children's Action and Adventure, Children's Sci-Fi Action and Adventure, Children's Superhero, and several other Amazon categories in multiple countries.

Thank you to everyone who made this possible. These books wouldn't be a success without your support!

As with the first book, I've added a gold Amazon Bestseller badge to the cover. The second book, with its fancy new cover, will be available here: [bit.ly/blackwalrusandkevin](http://bit.ly/blackwalrusandkevin).

This version will also be available at all signings, book sales, auctions, alpaca shaving festivals, and other events.

Thank you once again for your help and support, and keep an eye out for more events, news, and fun!
